

Cristo Rey Catholic Church Wants Your Talent!

"Why should I become involved?"

One of the most rewarding things that you can do is become involved in one of the many ministries in your parish. When asked "Why are we Ministers?" during the recent Ministry Retreat (1/04/14), some of the comments and responses were:

"Serving people and it's a call to help."

"It's a way to give back what we have received."

"Taking care of the parish community"

"Makes me feel good, teaches humility and courage."

"Treasure those things that have been entrusted to us"

"Grow closer to God."

If you have a certain talent, or would like to find out more about a particular ministry, we would like to extend a personal invitation to you and your family members to join one or more of the ministries. Please take the time to think about what you may have to offer and what you may stand to gain.
